THE PLATINUM

\$175

This indulgent Candessa facial is the number one seller and for good reason! Sit back and relax starting with a double cleanse, Hydrafacial to blast clean pores, jelly mask with LED therapy, finishing off the experience with our Soon eye or lip mask of your choosing. You will leave with skin that is revitalized and rejuvenated! A great facial to start on anyone or to gift to a loved one.

SHINE BRIGHT LIKE A DIAMOND

\$150

Get that dewy diamond glow with our **Wet Diamond™** Microdermabrasion. Remove dull dead layers of skin with a double cleanse, fruit enzymes to prepare the skin for maximum exfoliation, and then wet diamond tipped microdermabrasion via our **HydraFacial**. Topped off with antioxidants, a 24k gold hydrating eye mask, and jelly mask with LED therapy. You'll be shining bright for weeks to come with this "Cadillac" of experiences!

BYE BYE, BLEMISHES!

\$150

Ditch the concealer and treat the root of your acne! Instantly rebalance and refresh congested acneic skin with a double cleanse for a deep clean, exfoliation via Derasound to purge impurities, mild chemical peel to promote cell turnover and healing, LED therapy, ice globe massage, and customized clay clearing mask. Your skin is left clearer, radiant, and with a jaw-dropping complexion.

CALM DOWN

\$125

Calm down painful and inflamed skin with this soothing facial! Your aesthetician will breathe new life into your skin with revitalizing enzymes, calming aloe and cucumber gel mask, ice globe massage and high frequency treatment. This will instantly reduce inflammation, redness, and pain. Great for rosacea and sensitivity. Leave with "pore-fection" skin!

ON THE "GLOW"

\$175

The On-the-Glow Facial is the perfect treatment before a big event, all eyes will be on **YOU!** Custom **HydraFacial** boosters to hydrate, plump and firm your skin, **SOON** eye or lip mask to tackle those fine lines and wrinkles and topped off with ice globe therapy to wake up even the most tired skin! Get your glow on with our signature HydraFacial treatment!

MOTHER NURTURE

\$125

Motherhood (whether pre, current, or post) is already hard enough so why not give mom the gift of glow! Pamper the mother figure of your life by starting with pregnancy and oncology safe products, including our soothing milk peptide cleanser and masks. No matter where you are in your pregnancy, know that you will leave relaxed and ready to take on the day.

FOUNTAIN OF YOUTH

\$275

Turn back the clock with our luxurious "Fountain of Youth" facial. We assist in stopping time by incorporating a **HydraFacial** deep cleanse, mild chemical peel with an indulgent tightening mask and finishing off antioxidants and retinol.

EXPRESS

\$100

The "OG" of Candessa facials! Includes dermasound, exfoliation, customized products, and lots of massage for a relaxing yet invigorating treatment! Great starter to dip your toes into the facial world!

BROW AND LASH SERVICES

PRICING

Microblading-

Done with single one-time use hand piece for natural, hair-like strokes.

\$250

Microshading-

A mixture of both hair-like strokes and powder fill which mimic the look of a soft makeup fill-in. Great for those that already fill in their brows day-to-day.

\$300

Microblading/Shading Touch Up-

Touch-up (previous work must have been done by Emily here at Candessa) 6-8 weeks post first treatment. Color boosting and helps final results.

\$99

Henna Brows-

Not quite ready for the commitment of microbladed brows? Don't miss out on this! Henna-tinted skin for a light powder look that lasts appx 2-3 weeks. Great to do before an event or professional pictures.

\$75

Brow Lamination-

Not a victim of the 90's brows? Lamination is for you! A gentle perming of the brows to help reshape and redefine the face. Tint included.

\$50

Lash Lift and Tint-

Drop the mascara! Lift your lashes for 6-8 weeks with a gentle perm. Add brows for only \$10.

\$75

INJECTABLES

Toxins

Botox and Dysport

An injectable that provides effective treatment for facial lines caused by muscle movement. It smooths frown lines, crows feet, and other signs of aging.

Filler

Juvederm or Restylane

An injectable filler that restores lost volume, contours the face, and improves deep wrinkles.

Sculptra

An injectable that helps regrow and replace our body's lost collagen. Corrects facial wrinkles, folds, and sagging.

PRP

Platelet Rich Plasma

A serum derived from your own blood that is injected strategically to stimulate healthier cells whether in the face for anti-aging benefits or in the scalp to help combat hair loss.
